## \*Come And Build The Dream\*

"It is my dream that the entire Tibetan plateau should become a free refuge where humanity and nature can live in peace and in harmonious balance." - His Holiness the Dalai Lama (1989)

"To create this new society, we must present outstretched and friendly hands, without hatred and rancor, even as we show great determination and never waver in the defense of truth and justice." - Adolfo Perez Esquivel (1980)

"Women and men together can make this a beautiful people's world, that is why we called ourselves 'The Peace People'". - Betty Williams (1976)

Peace With Ourselves \* Peace With Others \* Peace With The Earth
