Dear Rotarian:

I am a member of the Portland Rotary Club and am organizing a breakfast with Jody Williams, 1997 Nobel Peace Prizewinner who co-won with the International Campaign to Ban Landmines. Please consider signing up for this breakfast meeting where we will discuss Rotary involvement in world peace activities and also our Rotary District June, 2012 Peace Fair which next year's District Governor, Mike Caruso is organizing. I hope to bring a number of Nobel Peace Laureates to this Peace Fair. Please come and learn more.

Sincerely,
Gary Alan Spanovich
