

YOU ARE CORDIALLY INVITED

Please join us for the 16th Annual Schnitzer Spirit of Unity Student Peace Awards Friday, November 15th as our **special guest**.

Location: 2735 NE 82nd Avenue Portland, OR Auditorium of the winning school Leodis V. McDaniel at 1:20pm – 2:15pm. RSVP to Nancy Spanovich at: 503.701.9987 educatingforpeace1@gmail.com.

Spirit of Unity Awards are given by the Wholistic Peace Institute Educating for Peace to Oregon schools to acknowledge students outstanding work in initiating peace action in their schools or service projects in their communities that help create a safer and a better place for all. Thanks to the keen insight of Harold Schnitzer to teach peace, WPI has awarded 175 grants to school student-led peace initiatives since 2008. The winners are Oregon Schools where teaching peace is now integral to their school culture.

Student peace leaders from the winning schools give a brief overview of their peace projects and we are fortunate to have Marcus Nobel to provide the keynote speaker Director of United Earth, an international peacemaking and climate action agency.
